

# South Valley SGMA Practitioners Roundtable

Groundwater users, planners and other interested parties active in development of Groundwater Sustainability Plans (GSP) as required by the Sustainable Groundwater Management Act (SGMA) are invited to attend the South Valley SGMA Practitioners Roundtable. Hosted by the East Kaweah, Greater Kaweah and Mid-Kaweah Groundwater Sustainability Agencies (GSA) via a grant from the California Department of Water Resources Facilitation Support Services Program, the event is the third in a series aimed to support interbasin coordination activities among GSAs of the Tulare Lake Basin. This session features a roundtable discussion of subbasin technical leads reviewing progress towards GSP development by the Jan. 31, 2020 deadline; panel discussions of topics of mutual interest across GSA and subbasin boundaries, and “pop-up” presentations of issues and concepts important to GSP development.

**Time/Date:** 9 a.m. to 11:30 a.m., December 18, 2018

**Location:** Tulare County Agricultural Commissioner’s Office Auditorium, 4437 S. Laspina St., Tulare, CA
